Dear Friend of TEST Sports,

On June 14, 2013, at 7:30pm, TEST Sports Club in Martinsville is hosting a Casino Night and we invite you and a guest for a night of fun and to support a great organization, Mane Stream.

Since 1972, Mane Stream, a non-profit registered charitable organization, has worked to improve the quality of life for individuals with physical, cognitive, developmental, and medical challenges through a diverse program of equine assisted activities, equine assisted therapy and educational initiatives. The Mane Stream facility is located on a 12-acre farm in Oldwick, New Jersey, and operates six days-a-week, serving more than 250 participants each year. The transforming magic of equine assisted therapy improves the quality of rehabilitative services, while at the same time, improves their quality of life. Each session at Mane Stream is a gift that allows children and adults, who are often unable to walk, gain the strength needed to move about more, or completely, independently; many, for the first time in their lives. Their clients gain strength and confidence along with an unbelievable feeling of independence and accomplishment!

This is where your help is needed and greatly appreciated.

The money we raise will go directly to the center to fund the vital therapy and recreation programs provided to over 200 participants from Somerset, Hunterdon, Union, Morris, and Bergen counties in New Jersey each year. By participating as a sponsor, your organization will benefit from extended exposure through media campaigns and promotional efforts directed toward the supporters of Mane Stream.

We have a number of donation levels. You can select the level of participation that best meets your needs, and be secure in the knowledge that your sponsorship fee will be used for Mane Stream.

We're counting on your support, and will be happy to answer any questions. *Please return your Sponsorship Donation Form in the enclosed envelope no later than May 20, 2013. Send to: Casino Night, Attn: Lauren Thatcher, 1931 Washington Valley Rd, Martinsville, NJ 08836. We can also pick it up if you'd like.*

Thank you in advance to help us make a difference in our community.

Sincerely,

TESTimonial from the owner: *"As parent of a special needs child, our schedule is already packed with all types of therapy; but when I heard about Mane Stream, I knew I had to give it a try. My son, Kurtis, has always had issues staying asleep at night and his verbal stimming wakes the entire house. Since starting therapy, he has slept through the ENTIRE night. I can't even put a dollar sign on the value that equine assisted therapy adds to our family. In three sessions, we have already seen so much improvement and potential! We are so glad that we chose Mane Stream. Kurtis has never been happier than when he is on top of their horses!" --Kevin Dunn, CEO, TEST Sports Club*
